

The 2008 OAK SUMMIT ESTATE BOTTLED PINOT NOIR is our 8th vintage, and perhaps the best yet. Just before bottling, knowledgeable tasters have come up with these notes:

Ruby red color, with aromas of fertile black earth and tea roses. A silken entry and a deep body with tastes of mature cherries and raspberries. A delightful, long and complex finish of ripe plums and dark 92% chocolate.

Please visit our website www.OakSummitVineyard.com should you feel the need for more florid rhetoric; or to peruse our ever-growing list of 40 medals, ribbons, cups, etc. The cost per bottle has come down to \$2,982, but we are offering these oenological treasures for the paltry sums indicated below. Please check your choice of vintages on the order form.

Sales are in lots of 2, 6 or 12 bottles. The price includes whatever taxes from wherever, and delivery in the Millbrook area. Or, you may choose to pick up at the vineyard and have a glass (or two, three...) of wine with us. Optional UPS shipping is available at the charges indicated.
